1st Day: Luanda - N'dalatando – Pedras Negras

Leaving Luanda at around 06:00am we follow the main road east in the direction of N'dalatando (a new road from Zenza now cuts our journey time significantly). We stop for a coffee some 100kms in. We then carry on to N'dalatando the capital of Kwanza Norte province where we visit the Botanical Gardens, and old agricultural college at Kilombo, refuel and take lunch.

We then set off for Pedras Negras / Pungo Andongo. The trip will take about one and a half hours, at Cacuso we turn south where we will soon reach the fascinating rock formation known as Pungo Andongo (Pedras Negras), here we will be able climb one of the main rocks for a spectacular view of the surrounding country side including Capanda Dam and we will also be able to see the famous “rock footprint” of Rainha (Queen) Ginga.

We then leave Pedras Negras and continue through to Lombe where we turn off north towards Kalandula. For convenience, we will stay in a basic Hotel at the Falls themselves and enjoy a buffet dinner.

Meals included –lunch, dinner.

2nd Day: Kalandula – Luanda

After breakfast we will visit the majestic Kalandula Falls on the Lucala River, (these are a rival to Victoria Falls in height). We will have the opportunity to bathe in the waters and take magnificent photographs. We will also visit a rather surprisingly ornate church in Kalandula village, where if we are lucky we will hear the congregation singing in the local dialect.
