2nd Day: Malange – Kalandula – Malange

After breakfast and then set off for the Kalandula Falls. We will make a short diversion on the way to pass by the Quéssua Mission. We also will stop off for a quick visit to the “Casa do Gaiato” orphanage where (if on a Sunday) we should have the opportunity to see the preparation of their morning mass and hear the locals singing in Kimbundu language in the small chapel. We continue through Lombe and turn off north towards the majestic Kalandula Falls on the Lucala River, (a rival to Victoria Falls in height). The trip will take about two hours in good weather. We will visit the extraordinary church and at the Falls we will have the opportunity to bathe in the waters and take magnificent photographs. For the more energetic, we can take a group down into the valley at the bottom of the falls it takes about 40 minutes to reach and tough walking shoes or boots are required as it is a very steep climb and can be muddy extreme caution is required. We will have lunch there and try to approach the falls from the other side on our return to Malange. We aim to get back to the hotel for about 7 p.m. and have our evening meal.
